

TracPipe® CounterStrike®

Flexible Gas Piping by OmegaFlex.

Introducing a Mobile APP for CSST Gas Pipe Installers

Transform your phone into a sizing tool for TracPipe®CounterStrike® CSST.

Input the numbers and the APP generates the flow capacity for every size.

TracPipe®CounterStrike® has higher flow ratings compared to competitive brands. Installers can win more bids by using a smaller size TracPipe®CounterStrike®. (i.e. 3/8" TracPipe®CounterStrike® versus 1/2" other brand).
